Bulletin 2

Interland 2025
OV – FRSO – ENG – LHFCO – LuxO – NOLB

Dear fellow-orienteers,

As we are getting closer to Interland 2025 I'm pleased, as organizing club, to present you bulletin 2 with more information about the interland race itself, the training and the logistics. Looking forward to see your final entries.

Clemens Roos

Chairman HOC'93

Map: Havelte West (Edition 2023 with 2024 revisions)
1:10.000 and 1:7.500 Equidistance: 2,5m
Mapper: Gediminas Trimakas (Lithuania)
Example of the map

Terrain description:	Plain military training area with a small hilly and detailed part. Vegetation is a mixture of open grass and heath land, sand, armored vehicle tracks and mixed forest. Runnability is good to excellent in the open part. Visibility is very good in the open part, good in the wooded part. Developed network of armored vehicle tracks and other paths. In some parts of the forest there are several small trails created by the training soldiers. These trails are NOT drawn. An ATB singletrack runs on the map. This singletrack will be highlighted on the map. An example will be published in bulletin 3.
Categories (Interland):	W/M-14, W/M-17, W/M-20, W/M Open, W/M40, W/M50, W/M60 Maximum of 3 runners in each category from each federation. 2 best runners from each federation score. (see interland rules)
Categories (open race):	Long difficult, short difficult, middle medium, short easy.
